## **Presidents Message:**

As we approach the much-anticipated date of our upcoming 156th Rocklyn Fair, I find myself filled with excitement and anticipation for what promises to be an extraordinary celebration of our community's talents and achievements. On behalf of the Rocklyn Agricultural Society, I extend a warm invitation to everyone to come and take a delightful walk around the exhibits to see the incredible talents and achievements showcased by our community. The fair is a celebration of our collective spirit, and your presence will add to the joy and camaraderie that defines this event.

Step into the exhibit hall, and you'll be greeted by the irresistible aromas of fresh baking. Our bakers have been hard at work perfecting their recipes. Exhibitors cultivate gardens of vibrant vegetables and blossoming flowers that will undoubtedly add a burst of color and beauty to our fair. Reminisce as you explore the various antiques on display, each with its own unique story to tell.

Photography and crafts are showcasing the artistic talent that thrives within our community. Prepare to be amazed by the creativity and ingenuity expressed through these visually stunning exhibits.

Throughout the day the 4-H Livestock Clubs show their dedication and expertise of our agricultural community, and we invite you to witness their beauty and grace.

A big THANK YOU to our amazing volunteers, community partners, sponsors, exhibitors, and fair goers, without all of you we would not be able to keep this great tradition going.

Find us at [www.rocklynfallfair.com](http://www.rocklynfallfair.com) and on Facebook. See you at the Fair.

Dianne Booker, President

## **2024 Ambassador:**

Hi! My name is Lillie Campbell and I was Rocklyn Fall Fairs 2023-2024 Senior Ambassador. It started off with the weekend of our Rocklyn Fall Fair, meeting new people and attending events with my Junior Ambassador Lila. As a Senior Ambassador I was able to help hand out ribbons as well as attend District events where I'm able to hear and share ideas from other fairs. Thank you, Rocklyn Agricultural Society, It was an honour being your 2023-2024 Senior Ambassador and congratulations to next year's ambassador I hope you have as much fun as I did.

## **2024 Princess:**

Hi! My name is Lila Squire, and I am so proud to be representing the Rocklyn Fall Fair as their Princess. I had so much fun at the 2023 fall fair. I handed out ribbons, competed in the ice cream eating competition and showed my calf in our nighttime show. I also talked with lots of people, new and old to the fair. *1 Tbsp sugar (white or brown)*

*1/2 tsp salt*

*1/4 teaspoon dry mustard*

*1 cup shredded old cheddar cheese*

*1 bottle or can of beer at room temperature*

*Mix these ingredients in the order given, spread in a greased loaf pan, top with 1/4 cup shredded cheese. Bake at 400 degrees for 45-50 minutes or until an inserted toothpick comes out clean. Cool briefly before turning out onto a wire rack.*

***In keeping with our 2024 theme Let it Grow, the 1st place winner will receive a gift valued at \$50.00 donated by The Baking Class Committee.***

*Sourdough Starter recipe for your use or you may use your own:*

*Flour – whole grain wheat or unbleached all purpose*

*Filtered Water*

*Day 1 – Mix 1 cup flour and 1 cup filtered water. Stir vigorously, make sure to incorporate everything. Place a clean tea towel over the bowl and set aside. Sit for 24 hours*

*Day 2 – Discard half of the mixture. Add 1 cup flour and 1 cup filtered water, stir vigorously and cover. Sit for 24 hours.*

*Repeat Day 2 instructions for days 3, 4 & 5*

*Day 6 & 7 – do the same as Day 2 but do this every 12 hours instead of every 24 hours. By Day 7, there should be enough beneficial bacteria and yeast present to bake sourdough recipes. You will know it is working if it bubbles and doubles in size. Notes – once sourdough starter is alive and active, there will be some maintenance to keep it going. In the refrigerator for occasional use – storing in the fridge slows the fermentation process, so one feeding every week or two is sufficient. On the counter for daily use – if stored at room temperature, you will need to add flour and water every day. You will also need to be baking daily to use up the starter.*
